Fast Growing Intellectual Property Service Provider Expands to Canada

Bethesda, MD – Legal Advantage, a leading provider of intellectual property and legal support services announced today that it has opened a new office in Toronto.

"Canadian demand for Legal Advantage's intellectual property services continues to increase," said Mirza Baig, CEO of Legal Advantage. "A presence in Toronto will allow Legal Advantage to provide a higher and more personalized level of service for clients in the Toronto metropolitan region and Canada as a whole. This increase in demand is attributed to the unparalleled quality Legal Advantage has become known for."

For five years, Legal Advantage has serviced the Canadian market through its Ottawa office. "This expansion allows us to have more feet on the ground and address the one of the two largest IP markets in Canada." Said Hal Pieroway, Senior Director of Account Services.

"To introduce ourselves a bit more fully to the Toronto IP community, we are offering free CLE classes on Best Practices in Prior Art and Best Practices in Patent Illustration. Both of these courses have been accredited by the Law Society of Upper Canada. Traditionally we charge \$85 per person per class but we are waiving these fees," Pieroway continued.
